

HUB report

Due to the pandemic outdoor Sport at Hillhead Sports Club opened up at different times of the year and all with different guidelines so we had to be flexible with strict risk assessments and covid guidelines safely met.

Outdoor activity

Tennis Scotland National Training Camp in August. 3 courts were hired out for the afternoons of August 15th and 16th 2020. This in turn gave the Tennis coaches a chance to get great experience from a top coach Ellinore Lightbody.

Strathclyde University hired courts in November and December. 3 courts for two hours on Saturday evenings. They then hired March 2021 until June 2021.

Glasgow Ultimate Frisbee Club and Glasgow Mid Argyll Shinty Club restarted March 2021, initially in restricted formats. There was a lot of flexibility with both clubs in arranging areas for them to train as restrictions kept changing, and part of our grounds were under maintenance.

Two outdoor boot camps ran sessions from May until September. Both ran at different times of the year.

Sport Ecosse ran their multi sport camp in the Summer holidays (seven weeks). This was the first one since 2019 due to restrictions. They used the Sports Bar as their base and had access to the courts and grass. They operate 8am – 6pm Monday to Friday. It was great to have them back and they are expected back in the October week holidays.

Tennis Camp ran in the Summer holidays (seven weeks) Monday to Friday 10am – 3pm. They managed a short three week camp in the Summer of 2020. Great to see many kids on court.

INDOOR ACTIVITY

We have not been able to open the upstairs areas, for various reasons, therefore we have not been able to operate our usual classes that we ran pre pandemic. The only exception to this was the two Holiday camps and they were set up safely with strict procedures in place. Hopefully we will be able to open up soon.

The gym was able to operate at certain times of the year. Please see separate Gym report for details.

OTHER HUB RELATED BUSINESS

Ongoing meetings with Vicki Holmes, our Glasgow Life HUB officer. We receive a HUB budget which requires managing and producing annual statistics to Glasgow Life. We discuss new ventures for the Club including a new cycling club.

Vicki organised a zoom call with Clydesdale Sports Club and Langside to network and discuss all HUB related issues.

I have kept in touch with our previous users and have a list of new enquiries also that can be contacted once we have established an opening date. The other thing we need to consider is what our procedures will be for multiple users in any one day particularly with the cleaning of the rooms between sessions.
